By the "dry plate" lightning process, Morgan can catch an exact copy of a humming bird on the wing. Then a much better he can take the pretty cooing baby with happy smiles and dimpled cheeks, when a half second's stillness is all that he asks! Ye loving mothers, bring in your darling babies and have Morgan to fix them before the scarlet fever swoops down on them and disfigures them for life.

## Assignment of Roy S. Cluke.

ROY S. CLUKE, of Lexington, assigned yesterday to the Smith and Co. Dick Webb, for the benefit of his creditors. The goods assigned were 35 shares of the Second National Bank, one half interest in the hardware store of R. S. Cluke & Co., two lively outfits of horses and a, and a half interest in eight or ten fine horses out of the livery business, and all of his household goods, which are said to be very fine. ## The Story of "Hazel Kirke."

Hazel Kirke is the daughter of a well-to-do miller, and has nursed back to life Lord Travers, whose father saved him from drowning. She is betrothed to Aaron Rodney, a wealthy neighbor, who nobly resigns her when he discovers the love which has grown up between her and Lord Travers. She marries the nobleman, and her father, whose insolent temper prevents him from understanding the situation, drives her from home. She is happy with her husband, until his mother tells her that she is not his lawful wife, and that he must marry another woman, whose fortune his dead father had stolen. This she says, is the only course to save the family honor, and Hazel, believing that her husband has deceived her, flies from the place. Her father has lost his eyesight during her absence, and as she opens the window of her old room on a wild and stormy night, she hears him bewailing his misfortunes and charging them to her. She enters and meets Rodney, her old lover, who again offers to marry her. The old man does not know of her presence, and when Rodney asks his consent, he refuses, and says he would drive her from his door. After Rodney leaves, she resolves to drown herself, and leaves the house. A moment later a about that Hazel is drowning is heard, and the old man in his helplessness can do nothing for her. The stubbornness and cruelty that drove her to the attempt to take her own life, flashes upon him. In an instant, and in his misery, his senses leave him. Hazel is saved by Lord Travers, her husband, who has followed her. Her voice brings the old man back to the world again, and the play ends happily.

### ANNOUNCEMENT.

JUDGE T. F. HARGIS,  
CANDIDATE FOR  
Judge of Court of Appeals.  
DEMOCRATIC TICKET.  
FOR REPRESENTATIVE,  
CHARLES S. OFFUTT.

ENGLAND is trying to pass a law suppressing blasphemy. England has a hard job before her.

If suspenders would not only keep up a man's reputation as well as they do his trousers, politicians would wear about ten pairs apiece.

THE Republican convention of Nicholas county recommended W. C. Goodloe for Governor, and W. H. Holt for Appellate Judge.

THE Georgia democrats nominated Henry D. McDaniel, of Walton county, for Governor. The Republicans will not make any nomination.

INTELLECT lies prone in the dust and brute force is on top. A hackman whipped a Yale student in a New Haven theater the other night.

A TROY minister has "lost all confidence in hell." Nothing's lost, we guess, for the chances are that hell has never had any confidence in him.

TALMAGE says that "prayer never goes heaven high unless it goes pocket deep." Then, if prayer depends wholly on the pocket, what's the use of prayer?

BISHOP MARRY, of Dakota, says Sitting Bull will soon join the Catholic church. There are now 2,000 Indians in Dakota belonging to the Catholic Church.

BEN BUTTERWORTH has been appointed to prosecute the South Carolina election cases, vice Richard Croley, and at the President. The appointment is worth \$35,000.

THE check sent to W. H. Vanderbilt for the quarterly interest on the Government four per cent bonds held by him was \$402,000, representing bonds of the value of \$40,200,000.

A PRIZE-FIGHTER fell and broke his neck recently and another one of the tribe shattered a knee-pain in a savage set-to at New York Friday night. The law should take lessons from the Lord.

THE Minnesota boy who was expelled from school for selecting one of Ingersoll's speeches for declamation, has been vindicated and reinstated by the attorney general and school superintendent of that state.

PHILIP SHORT was caught by a buzz saw in Macomb county, Mich. and had his left leg and right arm cut entirely off. The saw then split his right leg from the thigh to the foot, throwing him against an iron bolt that fractured his skull.

As might have been expected, the enomical custom of substituting wooden pegs for suspender buttons, which prevails in the rural districts, is having its effects. One of the most extensive button firms in the East has just failed.

"GARY" (George Alfred Townsend), is said to be the best newspaper correspondent in America. If ability and willingness to lie on all occasions count for anything in a correspondent's make-up, he is not only the best in America, but in the world—(Louisville Argus).

THERE are some drawbacks to being a prince. There's the duke of Edinburgh, for instance. His mother wouldn't let him play a fiddle at a private entertainment recently, and now she insists on his going to the coronation of the Czar, where he will probably be blown up by the Nihilists.

ARTHUR's trip to Florida has not been in vain. He met a small gang of Indians and presented a papoose with a quarter and Tom Tigertail with a cigar. Chandler being unable to control his generosity, gave Tigertail his pocket knife. This will have a tendency of breaking up the Solid South, in '84. Verily, the Nation on wheels still lives and works many undying wonders.

WASHINGTON was knocked down in Alexandria, Va.; Jackson had his nose pulled there; Johnson was snubbed there; Hayes fell down and skinned his shin there, and nobody but the bootblacks and porters went down to gaze upon the manly proportions of Arthur, when he passed through there the other day.

### FOR SALE!

A road wagon exactly a fac simile of the above, weighing but 120 pounds, and of the finest finish and most durable manufacture. I will take \$40 for it at the manufactory at Racine, Wis., and if a man can buy the same wagon from the manufacturer there for a copper less than \$80, I will give him this one and a horse to boot. This wagon was not made to break horses or to haul coal or rock with, but simply for light riding for a gentleman and lady or for carrying fancy horses with. There is nothing shoddy about it, but it is of the same goods made by the finest toolers of the day. If you want a bargain buy this; if you don't, don't bother me. Life is too short to be bothered.

BRUCE CHAMP,  
Paris, Ky.

## The Secret

of the universal success of Brown's Iron Bitters is simply this: It is the best Iron preparation ever made; it is compounded on thoroughly scientific, chemical and medicinal principles, and does just what is claimed for it—no more and no less.

By thorough and rapid assimilation with the blood, it reaches every part of the system, healing, purifying and strengthening. Commencing at the foundation it builds up and restores lost health—in no other way can lasting benefit be obtained.

25 Dearborn Ave., Chicago, Nov. 9. I have been a great sufferer from a very weak stomach, heartburn, and nervous prostration. Nearly everything I ate gave me distress, I could not eat but little. I have tried everything recommended, have taken the prescriptions of a dozen physicians, but got no relief until I took Brown's Iron Bitters. I feel now as if I were a new man. I am getting much stronger, and feel better. I am an electrical engineer, and now make my trips regularly. I can not say too much in praise of your wonderful medicine.  
D. C. MACK.

BROWN'S IRON BITTERS does not contain whiskey or alcohol, and will not blacken the teeth, or cause headache and constipation. It will cure dyspepsia, indigestion, heartburn, sleeplessness, dizziness, nervous debility, weakness, &c.

Use only Brown's Iron Bitters made by Brown Chemical Co., Baltimore. Crossed red lines and trade-mark on wrapper.

### WOMAN WANTED!

A middle-aged white woman without incubance, to wash, iron and cook for a small family—one willing to get up early and get breakfast. She must not be afraid to work, and one that will consider a majority of the 24 hours mine. I am not hard to please. I will give \$15 per month for the one that will fill the bill. I prefer a young or middle aged woman.  
W. S. BUCKNER,  
CANE RIDGE, KY.

### The High-Bred Trotting Stallion

GOLDSMITH,  
BY RYSDYK'S HAMBLETONIAN  
His dam, Lady Hulse, by Imported Trustee, (thoroughbred).

Will make the season of 1883, at my stable, at Millersburg, Ky., at \$25 To Insure a Living Colt.  
Money due when the mare foals or is parted with. No other horse in Kentucky, of equal breeding and merit, stands for less than \$50.

His colts are uniformly large, smooth and well gained. He was sold by Mr. Alden Goldsmith when a colt to D. B. Haight, Dover Plains, N. Y., and owned by him until sold to me.

### YOUNG BLACK JACKS

in Kentucky, 15 hands high, will serve mares at TEN DOLLARS and Jennets at TWENTY DOLLARS for living colts. No variation in price.  
Left retained on all colts of horse and jack until season money is paid.

MILLERSBURG, KY., Apr. 2, '83.

### ATTENTION, HORSEMEN!

We call the attention of the farmers and breeders of horse stock, that I breed at my place, horses for beauty and symmetry as well as for trotting purposes. If a careful inspection is given to the sire and offspring of any horse, I would then most respectfully call attention to Callahan and his offspring—some ten or twelve of which can now be seen at my stable. Callahan will be permitted to serve a limited number of mares the ensuing season, offered by first-class men, (no others need apply,) at \$25 to insure.

Callahan has a record of 2:24, and in the opinion of such horsemen as Dr. L. Herr, he could have trotted as well or better than a four minute gait on my indoor track last spring.

I will call the attention to the fact that Mambrino Chief, with the Pilot and Clay cross, has produced some of our most noted horses. I breed for speed as well as sixteen-hands high horses, high style and nifty.

Callahan is the sire of Cyclone and Coaster, both with records better than 2:27.

### STANDARD BEARER.

This celebrated horse will make the season of '83, at my stable, three miles from Millersburg and six from Paris, on the Jacksonia pike, at Ten Dollars The Season, or Fifteen Dollars to insure a living colt.

STANDARD BEARER is a bay, foaled 1867; fifteen hands and three inches high; by Volunteer; dam, by Roe's Abolition Chief; Volunteer, by Rysdyk's Hambletonian.

Like all the sons of Volunteer, Standard Bearer is proving himself a fine stock horse; his produce being large, finely formed, with superb action.

Also, my three-year-old young jack, Lord Wellington, 15 hands and 1 inch high, good bone and style, will stand at Ten Dollars to insure a living colt.

Money due in both cases when the colt comes or mare parted with—a lien retained on the colts until season money is paid.  
JAMES M. HUTSELL.

### Fire Proof Wire Fence.

I am building wire-fencing for the K. C. R. road. The same can be seen on the Maysville branch extending from the Jacksonia pike through Will Taylor's place, near Paris, also on the railroad near Millersburg. The plan is entirely new. Be glad to accommodate all who desire wire fencing. It will pay all who are interested in such improvements to see and consider the merit of my fence.

Respectfully,  
W. C. GHOSHSON,

### FARMERS NOTICE!

I would respectfully inform the citizens of Bourbon and surrounding counties, that I have had a large experience in repairing and adjusting the "Stivers Grass Strippers," and hereby offer my services in that line for the future. All work warranted first-class, and charges made reasonable.

Work can be left at either Paris or North Middletown.  
C. C. SCHOLLER.
